Re: Letter to Recreation Advisory Board Dated September 18, 2014

Dear Dr. Boulter:

Thank you for your letter to our Board in regards to the bathroom facilities at Playground Drive. We too are pleased with the extensive usage of the Playground Drive area during this past Summer.

The Recreation Department has looked into other options in the past and understands the concern for both adequate water and facilities. Our Board also discussed this subject at our recent meeting. The CIPC and Board of Selectmen would have the Authority to act on this issue as we are simply Advisory in nature, and Selectman Shipp informed us that they are also aware of your concerns and we appreciate you bringing it to their attention as well.

Respectfully,

Celeste Burns
